

Everybody loves wireless technology. It gives you the freedom to print from anywhere in your home or office, or share your printer with others. Now this inexpensive, easy to use all-in-one makes wireless much more affordable.

The DCP-J315W prints, scans and copies, all in a neat, compact package too. And with high print speeds to save time and excellent print quality to make the most of your photos, it's pretty much perfect if you work from home or in a small office.

Quick, easy and flexible

Nobody wants to hang around waiting for their printer. So for letters, reports, or even your holiday snaps, the DCP-J315W prints impressively quickly in colour and black and white. And for lab quality photos, you can adjust skin tones and eliminate blemishes and red eye with the free FaceFilter software. With Brother inks and paper, your photos are designed to last for up to 100 years, with no fading due to exposure to light.

Copying at the touch of a button

To save time, you don't need your computer switched on to copy, reduce or enlarge images or even condense multi-page documents onto one sheet (so you save paper too).

Flexible colour scanning

Scanning is easy and flexible. The DCP-J315W makes light work of scanning bulky, bound documents or books, simply place your document on the flat glass surface and choose how you want to scan. For instance, you can scan direct to media cards in PDF format or directly to email. There's also the OCR (Optical Character Recognition) feature, which means you can edit pre-printed documents without having to re-type them.

Technical Specifications DCP-J315W

General	
Technology	Inkjet
Memory Capacity	32MB
Warm-up Time	0 seconds
Interfaces	Full Speed USB 2.0 / USB Direct / Pictbridge / Media cards
Display	4.8CM colour LCD
Network	Wireless LAN IEEE802.11b/g (Infrastructure Mode/Adhoc Mode)
Protocols	TCP/IP (IPv4)
Wireless Setup	Wi-Fi Protected Setup™ (WPS), AirStation OneTouch Secure System™ (AOSS)
Wireless Security	WEP 64/128, WPA-PSK (TKIP/AES), WPA2-PSK (AES)
Colour Printer	
Speed	Up to 35ppm mono & 28ppm colour
Resolution	Up to 6,000 x 1,200 (Vertical x Horizontal)
Borderless Printing	Available for A4, LTR, A6, Photo 4 x 6", Index Card, Postcard
Colour Enhancement	Brother Image enhancement allows you to customise colour output
Minimum Droplet Size	1.5pl (when used with Brother BP71 paper, see Supplies section)
Direct Photo Print	Print photos direct from media cards (See Direct Photo Print section)
Colour Copier	
Speed	Up to 23ppm mono & 20ppm colour
Resolution	Up to 600 x 1,200dpi (colour), 1,200 x 1,200dpi (mono)
Multi copy	Produces up to 99 copies of each original
Enlargement / Reduction Ratio	25% - 400% in 1% increments
N in 1	Reduce 2 or 4 pages on to a single sheet
Poster Printing	Enlarge an image to print onto 3 x 3 pages of A4 size (available for A4 only)
Colour Scanner	
Resolution	Optical: Up to 1,200 x 2,400dpi Interpolated: Up to 19,200 x 19,200dpi
Scan Speed	From 3.44 seconds Mono & from 4.83 seconds Colour (A4 size, 100 x 100dpi)
Grey Scale	256 shades of grey
Colour Depth	36bit internal processing colour scanner
'Scan' Key	Allows the user to scan to E-mail, Image, File or Media card Supporting: JPEG, BMP, PDF, TIFF, PNG (media card supports PDF Mono & Colour, JPEG, TIFF).
Paper Handling	
Paper Input	100 sheet paper tray
Paper Output	50 sheets
Paper Handling Sizes	A4, LTR, LGL, EXE, A5, A6, Photo 4 x 6", Index Card, Postcard, Envelope plus additional sizes
Media Type	Plain, Inkjet, Glossy, Transparency

connect to your printer via wireless network, USB or media cards

For added convenience

you can print directly from, or scan to media card. You can also scan to email, OCR image, file or media card

DCP-J315W

Download your App to print and scan with your Android/iPhone™

Green and clean

Low power consumption, minimal noise, non-hazardous materials and recycling friendly design meet renowned Energy Star and Blue Angel environmental standards. Brother has also been awarded 100 out of 100 by the Ethical Company Organisation for the fourth year in a row – the only printer manufacturer to achieve this.

And our commitment to the environment now includes sponsoring 4 square kilometres of Amazon rainforest in partnership with Cool Earth, which protects endangered areas to help combat global warming.

You're covered

When you buy a new piece of equipment, the last thing you expect is for it to let you down. In fact, when something does go wrong with one of our products, we're as surprised as you are, as every Brother machine has been through rigorous testing. So, in the unlikely event that you do have a problem with your machine, you'll be pleased to hear that every Brother printer comes with a full 12 month warranty plus 24 hour online support. Which means if your machine does let you down, our dedicated aftercare team won't, even after your warranty period has expired.

Colourful savings

With Brother's Innobella original ink cartridges and paper you can be sure of top quality prints time after time, with true, vivid colours from 100 years lightfastness fade-resistant inks and specially coated paper. You'll even save money too, as the design uses individual ink cartridges so you only have to replace the one that's run out.

Combined Cartridges

When one colour runs out you have to throw all the other colours away - wasting ink and money.

Brother's individual ink cartridges

Using Brother's individual ink cartridges allows you to replace just the empty cartridge - saving you ink and money plus it's environmentally friendly too.
