

**Specifications**

The Xerox DocuTech 75 and 90 are designed by the company that invented on-demand printing and feature all the capabilities you've come to expect from Xerox DocuTech Production Publishers.

In a compact footprint, Xerox DocuTech 75 and 90 build in full workflow and datastream support and incorporate new controller hardware and features—including imposition and job forwarding—as well as a host of new finishing options to make them the smaller siblings with all of the heritage of the DocuTech family.

And with their attractive entry points, they are the most cost-effective way to ensure your business is...  
**powered by DocuTech.**

# Xerox DocuTech 75 / 90 Production Publishers

Integrate with Xerox DigiPath Professional Production Software, DigiPath Xpress Production Software, or the DigiPath PDF Productivity Suite for additional production power.

## Xerox DocuTech 75/90 Production Publisher Specifications

### Printer Controller

- Enhanced Sun Blade™ 150 workstation with 40 GB hard disk drive, 512 MB RAM, floppy drive and CD-ROM drive
- 17" colour display
- Keyboard, mouse
- Ethernet interface (10 MB/sec or 100 MB/sec)
- Image accelerator/printer interface card
- Power strip with surge protection
- SNMP MIB II
- Optional:
  - 18.2 GB external hard drive for expandable on-line disk storage
  - 4 mm magnetic tape drive for backup, 8 GB capacity
  - External 56 Kbps modem for remote diagnostic with Fuji Xerox service
  - Token Ring interface (TCP/IP only)
  - SCSI host adapter kit
  - Channel card
  - QIC and 18/36 Track Tape Drives

### Printer Module

- Xerographic engine
- Print speed up to 75 or 90 ppm (A4)
- Simplex or duplex printing
- Laser raster output at 600 dpi and up to 600 x 1200 dpi (PostScript)
- Customer Replaceable Units (CRUs)
- In-line single- or dual-stapling

### Throughput Materials

#### (printing and finishing)

- Weights: 60 to 203 gsm index
- Sizes: 148 mm x 105 mm to 305 mm x 457 mm (varies by tray)
- Maximum image size is 296 mm x 454 mm

### Input Capacity

#### (sheet capacity all at 75 gsm)

- Trays 1-4: 500 sheets
- Tray 5: 50 sheets
- Tray 6: 5,100 sheets

### Output Options

- Stacker: 2,000 sheets at 75 gsm
- Stapler: 2 - 50 sheets at 75 gsm, 1 or 2 staples
- Top Tray: maximum of 250 sheets of 75 gsm

### Client Environments Supported

- Windows 95, Windows 98, Windows NT, Windows 2000, Windows XP (limited functionality)
- Mac OS 7.5.5 and later
- Solaris 2.3 / 2.4 / 2.5.1 / 2.6 / 8.x

### PDLs and Data Formats

- Adobe PostScript 3, PDF, PCL 5e, TIFF, ASCII, VIPP software (optional), IPDS (optional), LCDS (optional)

### Connectivity

- TCP/IP (Ethernet/Token Ring)
- AppleTalk (Ethernet only)
- Novell (IPX/SPX and Ethernet II only)
- IBM Channel

### Electrical Requirements

- Printer Controller:
  - 115 VAC + 10%, 47-63 Hz, 20 amp service
  - KVA Rating: .35

### Printer Module:

- 75: 115 VAC, 60 Hz, 20 amp service
- 90: 208/220 VAC, 60 Hz, 20 amp service
- KVA Rating: 1.45
- Agency certification: UL 1950, CSA 950, CE Mark, EN 60950-CB for Europe and Scandinavia, NOM, FCC 15-68, EN6100-3-2, EN61000-3-3, EN50082-1, IEC 1000-4-2, IEC 1000-4-3, IEC 1000-4-4, IEC 1000-4-5, PTT Approvals (per country standard); EH&S Standards 8.7.0, 8.6.0, 8.17.0, 2.2.0, 2.3.0, FDA IEC 825
- EME Approval is Class A for all countries: FCC-A, EN 55022-A, CISPR 22-A, ICES-003-A

### Physical Characteristics

Width	Depth	Height	Weight
<i>Printer Controller - Processor Module</i>			
457 mm	446 mm	117 mm	12.2 kg
<i>Printer Controller - 17" Colour Monitor</i>			
400 mm	443 mm	410 mm	22.5 kg
<i>Printer Module</i>			
1739 mm	706 mm	1008 mm	220 kg

### Service Access

- Front: 882 mm
- Sides: 454 mm
- Back: 252 mm

Please reference the Xerox DigiPath Production Software Specification Sheet for complete DigiPath specifications.

## Fit anywhere

With their small footprint, the DocuTech 75 and 90 fit right into your current operation—literally. And with support for PostScript, PCL, PDF, TIFF, LCDS, IPDS, and other datastreams, the DocuTech 75 and 90 can print from the network or the mainframe.

## It's more than printing...

Fuji Xerox recognises that effective document production isn't only about putting toner on paper. It's also about automatic document formatting, Web access, and electronic presentment. And, of course, it's about the ability to add value to documents through finishing options that meet any need and allow you to achieve big results with a small printer.
