

Xerox® DocuMate® 5445 and Xerox® DocuMate® 5460

Innovative Scanning Technology for Any Desktop

- Advanced high-output work-group scanner
 - 45 ppm/90 ipm* (DM5445)
 - 60 ppm/120 ipm* (DM5460)
- Reliable paper feed mechanism with double-feed prevention
- Convenient 75 page ADF capacity†
- Instantly scan at the touch of a button
- Batch scan mixed paper and hard cards
- Innovative image processing technology
- Energy saving and instant on use of LED technology
- Easy to maintain hardware design

* Portrait US letter and A4, 200 dpi, b&w/colour

† 20 lb./75-80 g/m² paper

Small, Highly Versatile Scanning Solution for Any Business

There are super powers packed in this small scanner. Capable of scanning a variety of documents, including long, small, thick and thin sheets, the DocuMate® 5445/5460 will greatly boost the efficiency of your office. Conveniently small enough to fit on a desktop, the scanner is designed to quickly scan ID cards and other documents, enabling real-time information sharing to provide fast, accurate customer service.

The scanners have a convenient interface that allows the user to simply insert their document and press one button on the front panel to initiate scanning and automatically email, print, convert or share their document. Visioneer® OneTouch® provides scanning presets at the optimal resolution, colour depth, file format and paper size for common scanning tasks, which can also be easily changed at any time.

The DocuMate 5445/5460 can quickly convert a large number of documents into electronic data, so it provides smooth usage even in offices with many users. Scanning documents into data makes it possible to consolidate information, which improves productivity. And it lowers the cost of handling documents and reduces the space needed to store them.

Reliable Paper Feed Mechanism

Another unique feature of the DocuMate 5445/5460 are the paper feed rollers. The rollers rotate independently left and right to reduce document skewing during scanning. In addition, the active double-feed prevention roller reverses rotation the instant that the leading document leaves the paper feed section to prevent the double-feeding of documents that are simply stuck together.

However, there are documents for which scanning should not be stopped even when double-feeding is detected. Those include envelopes and documents with sticky notes attached. When the DocuMate 5445/5460 pauses at one of these documents, scanning is easily resumed with the touch of a button.

Xerox® DocuMate® 5445 and DocuMate® 5460

Visioneer® OneTouch

OneTouch is an easy-to-use utility that connects the DocuMate® 5445/5460 with a powerful set of scanner settings to greatly improve the efficiency of your workflow — so that with one touch the document is scanned automatically to email, Microsoft® Word, your printer, a file folder, or to one of many cloud destinations.

Visioneer Acuity

Acuity enables your scanner to instantly improve the visual clarity of every document that you scan. Using advanced algorithms and dynamic thresholding Acuity will intelligently correct documents containing imperfections, improve quality of scanned images for archiving, increase OCR accuracy, and save time.

Visioneer DriverPLUS

DriverPLUS is a new generation of driver technology that is based on TWAIN™ 2.1 specifications that provides advanced features and greater reliability for both users and system integrators. DriverPLUS combines the features of advanced 32- and 64-bit native Windows®-

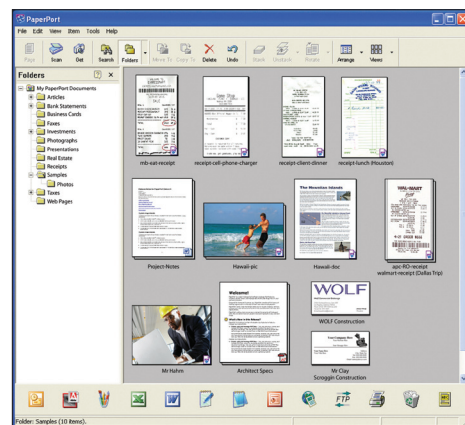

based TWAIN and WIA drivers PLUS new Acuity optimisation software and a sophisticated user interface.

Nuance PaperPort®

Millions of professionals rely on PaperPort to save time and money by transforming paper documents into searchable digital documents. PaperPort combines the efficiency of document management, the convenience of superbly scanned documents and the power of creating PDF files, to bring a new level of operational proficiency to your organisation.

Nuance OmniPage® Pro

OmniPage Pro provides a precise OCR and layout retention solution, quickly turning scanned documents into editable, formatted text. The text can then be used in virtually any word processing, desktop publishing or web publishing program.

Nuance PDF Converter Pro

Nuance PDF Converter is the smarter PDF software choice for businesses. Combining powerful functionality, superior Microsoft Office® support, built-in intelligence, DMS integration, and intuitive ease of use, Nuance PDF Converter provides everything you need to create, convert, edit, assemble, and securely share PDF files for increased productivity, enhanced collaboration, and improved compliance.

Xerox® DocuMate® 5445 and Xerox® DocuMate® 5460 Product Specifications

Xerox® Part No.	DM 5445: 100N02883	DM 5460: 100N02884
Scan Speed (Portrait @ 200 dpi – b/w, greyscale & colour)	45 ppm / 90 ipm	60 ppm / 120 ipm
Scan Method	Fast duplex ADF	
Imaging Sensor	CIS (Contact Image Sensor)	
Light Source	LED (light emitting diode), instant on	
Background Colour	Black	
Optical Resolution	300/600 dpi (Switchable)	
Output Bit Depth	24-bit colour, 8-bit greyscale, 1-bit black & white	
Interface	Hi-Speed USB 2.0 (USB 1.1 compatible)	
Detection	Ultrasonic double feed detection, Dog-ear detection	
Dimensions (ADF attached, trays closed)	318 x 280 x 241 mm (W x D x H) (12.5" x 8.2" x 7.7")	
Size (footprint)	318 x 210 (12.5" x 8.2")	
Weight	4.0 kg (8.8 lb)	
Maximum Paper Weight	206 g/m ² (55 lb)	
ADF Maximum Document Size	Paper: 216 x 2540 mm (8.5" x 100")	
ADF Minimum Document Size	Paper: 48 x 70 mm (1.9" x 2.8"); Card: 85.6 x 54 mm (3.4" x 2.1")	
ADF Capacity	75 sheets (20 lb. paper / 75 g/m ²)	
Duty Cycle	4,000 pages/day
